This fabulous Ashford model two-bedroom, two-bathroom unit is a rare gem, offering 1,047 square feet of bright, open-concept living space. The second largest floor plan in the complex. Located on the second floor, it features maintenance-free laminate flooring throughout most of the unit, a spacious kitchen with convenient pull-out drawers in select lower cabinets, and a brand-new refrigerator installed on April 24. (not the one in photos) Both bedrooms are generously sized, optimal for a king sized bed, with the primary bedroom offering a walk-through closet and a private three-piece ensuite with a walk-in shower. The suite has a fresh coat of paint. Another unique feature that truly sets this unit apart is the titled underground parking stall that includes a private 8' x 8' storage room, directly in front of the parking stall & conveniently located just steps from the elevator. Condo fees cover heat and electricity, adding to the value and peace of mind. Legacy Estates Somerset isn't just a place to live—it's a lifestyle. Residents enjoy an array of amenities rarely found in other adult communities: a 24/7 games room, billiards area, fitness room, media room, library, and a large communal dining room.
