Cool off, unwind and soak up the sun at your choice of two outdoor pools, or if you prefer the sand between your toes, head to the private sandy beach, with a designated swimming area and watch the kids jump off the diving platform. Just down from the beach is a private, gated marina, with new breakwater installed in 2022. After an afternoon in the sun, walk to the General Store to indulge in ice cream cones, slushies or grab some snacks and staples you forgot to get for your bbq dinner. In the winter months, take in ice curling on the creek or head to the groomed ice pond for a leisurely skate. Since this resort operates year-round, you can utilize the indoor pool and hot tub, games room and gym in the off season.
