Welcome to 564 Redstone View NE – A Rare End Unit with Unmatched Views! This immaculate townhome is a rare find, backing onto a stunning pond with panoramic west-facing views of the mountains and downtown skyline. Located in a quiet corner of the sought-after community of Redstone, this bright and airy home features an open-concept layout with soaring vaulted ceilings, central A/C, and large windows that flood the space with natural light. The main floor showcases laminate flooring, granite countertops, and a well-designed kitchen perfect for entertaining. Upstairs, you’ll find two spacious primary bedrooms, each with its own private ensuite, and a convenient second-floor laundry with washer and dryer included. The fully finished walkout basement offers additional living space with endless possibilities – home office, gym, or cozy media room – all while enjoying serene pond views from your private patio. This end unit offers extra privacy, added natural light, and one of the best locations in the complex. Units like this don’t come up often – don’t miss your chance to own a home where lifestyle meets luxury.
