UPDATE: Construction scheduled to be finished for early July. BIG, BEAUTIFUL, & BRAND NEW! It is incredibly challenging to find A large BRAND NEW two storey home with a finished basement, but Wild Rose Concrete Ltd. delivers again with this stunning design that features ICF(Insulated Concrete Form) basement, hardiboard siding, and stone accents. Total space on all 3 levels is 3,615 square feet! Inside you'll find a welcoming foyer that is open to above. A couple steps up to the open plan for the living room with electric fireplace, & kitchen with full stainless steel appliance package, full height cabinets, quartz counters, and a large pantry with more cabinets and counter space. The dining room is adjacent to the kitchen out the back and features a door to the rear deck. Main floor also has a mud room with entrance from garage and a 2 piece bathroom. Upstairs, you'll notice the large bonus room with walk-out balcony above garage. There are also 4 big bedrooms, including primary with big walk-in closet and 6 piece ensuite featuring double sinks and double shower heads in the walk-in shower and tub area. Upper level also has a proper laundry room, and another full bathroom with tub/shower combo. Basement is fully developed with family room, games room with wet bar, a 5th bedroom, and another full bathroom with tub/shower combo. Wild Rose even adds in the air conditioning to keep you cool in the summer months. The ICF basement is amazing when it comes to insulation value & added foundation strength. Lot has back alley access and front attached garage is 22x24. Dare to compare for the size and options!
