Welcome to this exceptional custom-built family home, completed in 2019, offering over a beautifully finished living space and thoughtfully designed for comfort, convenience, and entertaining. Located on a spacious lot with a massive backyard and 2 HEATED GARAGES, this property truly checks every box! Upstairs, you'll find 3 generously sized bedrooms, including a luxurious primary suite featuring a 5-piece ensuite with a large double vanity, separate shower, and soaking tub. A full bathroom, a convenient upper-level laundry room, and a spacious bonus room round out the family-focused second floor. The main floor is a showstopper, boasting tall ceilings and expansive windows that flood the home with natural light. The gourmet kitchen features sleek built-in appliances, a large refrigerator, and a walk-in pantry, perfect for family living and entertaining. Enjoy the cozy yet spacious living room, a stylish office with a sliding barn door, and a practical mudroom that connects seamlessly to the attached garage. Downstairs, the fully finished basement is ready for movie nights in the dedicated theatre room, complete with a projector and screen. Two additional rooms are currently being used as a home gym and a hockey rec room, but can easily be converted into two additional bedrooms if desired. Step outside to your expansive backyard, highlighted by a premium Duradeck for outdoor relaxation and entertaining. As mentioned before, the home includes both an attached heated garage in the front and a detached heated garage in the back, offering incredible flexibility for storage, hobbies, or extra parking. This home offers a rare combination of custom quality, versatile space, and luxurious amenities in a family-friendly layout. A must-see for any buyer looking for comfort and style in one perfect package!
