Not your average home! This beautifully upgraded 4-bedroom, 3-bathroom bi-level, built in 2013, offers comfort, space, and style for the whole family. Situated on a large pie-shaped lot with RV parking, it features a 24x24 heated detached garage with 220V power, LED lighting, and plenty of room for projects or storage. You'll love the home's great curb appeal, with premium siding, a charming covered front porch, and semi-permanent Christmas lights already installed. Step inside to a bright front entryway with a large closet. The main floor boasts 9-foot ceilings and a spacious open-concept layout with a cozy gas fireplace in the living room and durable laminate flooring throughout. The kitchen is designed for both function and style, featuring rich dark cabinetry, a peninsula with eating bar, under-cabinet lighting, pots & pans drawers, stainless steel appliances, a reverse osmosis water tap, and a pantry. The adjoining dining area offers ample space for family meals and entertaining. The primary bedroom includes double closets and a private 3-piece ensuite with a glass-door shower and dual shower heads. A second bedroom, plus linen and broom closets, round out the main floor. Downstairs, the fully finished basement offers more living space with 9-foot ceilings, vinyl plank flooring, a large family room, two generous bedrooms, a 4-piece bathroom with tile tub surround, and a laundry/mechanical room. Comfort is key with a 50-gallon hot water tank, humidifier, central air conditioning, and operational in-floor heating. The low maintenance vinyl fence and landscaped backyard includes a covered deck with storage, a BBQ gas line, and a phantom screen door—perfect for relaxing or hosting. Located on a quiet close with extra parking and green space across the way, this home is move-in ready and packed with features for modern family living.
