Welcome to this beautifully maintained bi-level home located in Ryders Ridge. Enter into an oversized tiled entryway that leads upstairs to the open-concept main floor featuring vaulted ceilings and large windows. The cozy gas fireplace in the living room creates a warm focal point and flows seamlessly into the spacious dining area and functional kitchen. The kitchen is equipped with stainless steel appliances, full tiled backsplash, corner sink, pantry and a raised eating bar—perfect for both everyday living and entertaining. Step outside from the kitchen onto a large, covered south-facing deck overlooking a fully fenced backyard and your detached garage. The main level also features a generously sized primary bedroom complete with dual closets and a private 3-piece ensuite. A second bedroom and a 4-piece bathroom complete this level. The fully finished lower level offers additional living space, including a large family room, two more bedrooms, both with large windows, and a shared 4-piece bathroom—ideal for guests or a growing family. This home includes a water softener system and recent upgrades such as a new hot water tank (August 2024) and several updated windows including the large front living room window.
