Welcome home to modern luxury and breathtaking views in this exceptional 3-storey townhome, complete with an attached single-car garage and full-length driveway! The ground level presents a versatile flex room – perfect as a 3rd bedroom, home office, or recreation space – with direct access to a ground-level patio. Head up to the second floor, an entertainer’s paradise featuring a central kitchen. It boasts a large island, quartz counters, undermount sink, upgraded upper cabinets, and stainless steel appliances (including a new March 2025 fridge). The dining area seamlessly extends to a private deck with a BBQ gas line, offering stunning wetland and mountain views. A comfortable living room, ideal for relaxation or gathering with loved ones. This level is complete with a pantry, and half bath. The third floor is a true sanctuary, offering two primary rooms! The first provides a private 3-piece ensuite and a step-in closet. The second primary room offers ample space with a large closet. A convenient 4-piece main bath and laundry area ensure ultimate comfort. Discover a home designed for elevated living, where every detail complements the spectacular natural backdrop!
