The Fullerton's front door and foyer welcome you into a warm and inviting family home. The spacious, open-concept main floor is perfect for easy mornings at the breakfast bar, lively family dinners in the dining area, and cozy evenings by the electric fireplace. A walk-in pantry and mudroom off the garage help keep clutter neatly out of sight. Upstairs, features three bedrooms, multiple walk-in closets, and a generous bonus room - ideal for quiet time or personal hobbies. You'll also find a conveniently located laundry room and a large linen closet for added storage. At the end of the day, retreat to the expansive primary bedroom, complete with a walk-in closet and a luxurious ensuite featuring dual sinks and a walk-in shower. A separate side entrance and 9' foundation have been added for your benefit for any future basement development plans. Equipped with 8 solar panels! This New Construction home has an estimated completion timeline of August 2025. Photos are representative.
