This amazing apartment has been totally updated; it comes with two underground titled heated parking stalls. With its top-floor corner location, you will be able to enjoy stunning, unobstructed views of downtown Calgary, the mountains, and to the west partial view of the international airport. The recent renovations mean it's move-in ready, and the layout is very functional and spacious. Having two large bedrooms and two full bathrooms is a great advantage, especially with the added convenience of in-suite laundry. The bright kitchen is even more desirable. It is a wonderful place to call home!
