Discover this vibrant townhome, with a total of 1,623 sqft developed space in Evanston, built in 2012. Fresh paint touch ups and sparkle lint clean. The open-concept main floor welcomes you with light-filled living, dining, and kitchen spaces that flow effortlessly toward your private courtyard view. Quartz countertops, custom cabinetry, and a thoughtfully placed half bath make daily life—and entertaining—effortless. Upstairs, two generous bedrooms each enjoy their own full ensuite, with the primary suite opening onto a sunny patio. Stacked laundry adds a practical touch, ensuring your evenings and weekends stay stress-free. Every detail strikes the perfect balance between polished finishes and comfortable living. The fully finished basement delivers even more flexibility: imagine a home office, gym, or family room complete with extra storage and a three-piece bath. An assigned tandem parking stall and secure storage locker keep your gear organized. Just steps from Evanston Towne Centre’s shops and cafés, top-rated schools, verdant parks, and river pathways—and with quick access to Stoney Trail—this townhome is tailor-made for investors, young families, couples, and first-time buyers alike.
