Fully developed 4 level split home situated on one of the most desirable streets in Grande Prairie. This home is situated on a large lot with no rear neighbors, backing onto a large green space. Semi open concept presented on the main level with the kitchen, dining and living room. Heading up a few stairs to the second level you will find three bedrooms including the master bedroom, as well as a full bathroom. Third level has a massive living room, and full bathroom. Fourth level hosts a large bedroom, and laundry/utility room. Furnace and hot water tank have been replaced in recent years. Attached double car garage is great for our long winters, and also has a small mudroom off it entering the house. Backyard is fully fenced and mostly south backing , and complimented by several garden boxes and 2 sheds. Driveway is oversized allowing for potential 3-4 car driveway, or RV parking.
