Current projected rent is \$2,200/month based on nearby active comparables with similar finishings and parking, translating to ~\$26,400/year in income and cap rates around 3.1% &ndash; conservative but stable. Condo fees are just \$314.48/month including insurance and reserve contributions, with no major repairs expected thanks to a proactive condo board currently addressing hail damage. One titled parking stall included, with a second available for just \$50/month.
