A fully developed bungalow that has been completely upgraded over the years in desirable Sunnybrook. Great curb appeal with the single car garage, updated white siding and contemporary accents. The entryway greets you to the open style floor plan with vinyl plank flooring. Relax in the living room next to the electric fireplace with a live edge mantle that is flooded with natural light through the large front window. Updated kitchen cabinets are complemented by quartz countertops, full tile backsplash, pantry style cabinets, stainless steel appliances (a gas stove), a large dark wood island with an eating bar & decorative shelving. The eating area has patio doors to the deck with aluminum railings that overlooks the backyard. The king sized primary bedroom has a walk-in closet with closet organizers & a 3 piece ensuite with tile floors, quartz countertops, a window and a glass/tiled shower. There is a second bedroom and a 4 piece tiled bathroom with quartz counters, drawers, a window and linen storage. The fully developed basement has a family room with vinyl plank flooring, a wet bar with butcher block counters an office/gym, a third bedroom, a laundry room with a sink for your convenience & a 4 piece bathroom with a floating vanity. There is a high efficient furnace, central vacuum & vinyl windows throughout. The backyard features a hot tub. A fantastic location just steps away from parks, schools and the trail system. This home was substantially renovated throughout including but not limited to windows, exterior, plumbing, electrical, kitchen, bathrooms, flooring, paint and more!
