Incredible opportunity to own a rare property on Bayside Island. Situated on a peninsula surrounded by water, only 12 families have the privilege of calling this street home. Backing west, with extensive professional landscaping, you will be delighted with this impressive bungalow estate. The impeccable floor plan has been designed to be airy and bright with each room thoughtfully apportioned. The expansive vaulted ceiling, warm neutral tones and quality finishings elevate the serenity and flow in each space. The kitchen is the heart of the home with a large pantry, a separate butler pantry, a massive central island and rich cabinetry. The living room features a floor to ceiling tiled fireplace that adds grandeur. Off the ample dining space, are sliding doors that lead to a full width deck with a covered area for shade and stairs that lead to the yard below. The primary suite features stunning water views with a luxurious ensuite. A sumptuous soaker tub, a large tiled shower, dual sinks with storage and a walk-in closet with custom organizers will make you feel truly spoiled. Off the primary is two way access to the laundry room with custom cabinetry. A mud room, main floor den/office and two piece bath round out this level. The fully developed walkout basement was finished with a mind toward entertaining. In-floor heat makes it comfortable year-round. A large recreation area features space for movie nights on a big comfy couch, games nights around the table and a custom wet bar to keep everyone in high spirits! Two additional bedrooms, a home gym and a 4 piece bath complete the tour of the basement. Outside, the private dock is the perfect launch pad for paddleboarding or kayaking along the canal. Enjoy sunsets in the hot tub, and later, cozy up around a crackling fire under the pergola. This home is meant for making memories in a place that truly exceeds the imagination.

The triple garage is heated with ample space for vehicles and storage. Additional updates include many modern conveniences including Gemstone Lights, a tankless hot water system, water softener, an induction stove (you'll never go back), air conditioning and an irrigation system in the front and back yard. This is a fantastic community with many walking trails. Check out the link on the listing to view the video tour.
