This beautiful modified bi-level home in Crystal Lake Estates is tucked away in a cul-de-sac on Lakeshore Court. This home features five large bedrooms and a generously sized office facing the street. You'll immediately notice the extensive updates upon entering, including vinyl plank flooring and a recently renovated kitchen, ensuite, and master closet. The tall ceilings are perfect for displaying a grand Christmas tree during the holidays, and the wonderful gas fireplace is ideal for colder nights. Enjoy the air-conditioned comfort during the summer, or head outside to the large backyard. It's big enough for a hot tub and a swimming pool, with plenty of space left for kids to play! Cedar fence was redone in 2024
