Excellent location and well maintained building available in the heart of Maidstone SK. This 1550 sq ft building has seen many improvements over the years, and features a 962 sq ft open area, along with two washrooms, two storage rooms and a large entry room with plenty of space for boots and coats. The property has tile flooring in the entry, linoleum in the washrooms and carpet everywhere else. There is a high efficient furnace and central air conditioning, as well as a central vac for easy cleaning. The exterior is a low maintenance stucco facade, with asphalt shingles, and metal eavestrough and soffit. There is a covered concrete carport for loading and unloading, as well as a large gravel parking lot. This property is zones R2, allowing for multi-family use or suites, as well as an abundance of commercial opportunities like daycare, care home, community centres, clubs and institutions and more.
