Welcome to your new home in the well-established community of Sage Hill. This stylish and thoughtfully designed 2 bedroom + den home offers the perfect blend of comfort, functionality, and a low-maintenance lifestyle. The open-concept layout is warm and inviting, with large windows that fill the space with natural light and provide great views of the neighbouring green space. The kitchen is a real standout—featuring sleek dark cabinets, upgraded stainless steel appliances, guartz countertops and a central island that's perfect for casual meals, morning coffee, or catching up with friends. Step outside onto your private balcony—an ideal outdoor retreat with room for a comfy sofa, coffee table, and even a propane barbecue (yes, they're allowed!). Whether you're grilling dinner or unwinding with a book, this space is perfect for soaking up some fresh air and enjoying the view. The primary bedroom is spacious with accommodation for a king-size bed and offers generous closet space, giving you a quiet and cozy place to recharge. Two full bathrooms, including an ensuite, feature clean, modern finishes, and a second bedroom offers flexible space for guests, a home office, or hobbies, Plus, a pocket office gives you a compact workspace or alternatively in-suite storage. You&rsguo: II appreciate the quality touches throughout—durable hard-surface flooring, modern lighting, and a smart, efficient layout that makes the most of every square foot (over 800 of them!). And no need to worry about winter— this home comes with a titled, heated underground parking stall to keep your vehicle warm and protected all year round. Best of all, the building is pet-friendly, so your furry companion is welcome too (just be sure to ask for approval)! With this beautiful home, you' ll be close to everything— from shops and
