This co-op style ownership gives you exclusive use of your own fully serviced lot, complete with water, sewer, and power, all nestled along the scenic Bearberry Creek. Lot #27 is a 3,872 sq.ft. property just one space away from the forest and nearby greenspace—offering a great mix of privacy and easy access to nature. A spacious 22'x18' cedar deck is ready for your next BBQ, family get-together, or relaxing afternoon. At the heart of the outdoor space is a fire pit, covered by a gazebo so you can enjoy campfires in any weather—whether you're roasting marshmallows, telling stories, or just soaking in the evening. The 100 sq.ft. bunkie has its own 50 amp breaker. With a full-size fridge and built in cupboard it's easy to keep drinks cold and snacks handy. There's also a convenient place to store your firewood, keeping everything you need for a cozy fire right within reach. There is material, under the gazebo, to fully close off the fenced back yard once your RV is set up. Wood leveling blocks are also included. All you need is your RV! Sundre River Resort is more than just a place to park your RV – it's a welcoming, tight-knit community where friendly neighbors become friends. With over 50 acres of forested trails and river paths to explore, it's easy to enjoy nature at your own pace. Kids can burn off energy at any of the three playgrounds or the large soccer field, while your four-legged family members will love the designated off-leash dog area. The resort features a spacious cookhouse and outdoor BBQ area, along with a clubhouse that offers laundry and hot showers. There's always something fun happening at the park, from the exciting poker run and chili cook-off to themed seasonal celebrations like Halloween in August and Christmas in July. Whether you're looking for a peaceful retreat or an active community, Sundre River Resort offers the perfect balance of both – with nearby golf courses, on-site RV storage, and a full calendar of social events.
