The main floor welcomes you with an open-concept design centered around a warm gas fireplace, framed by timeless stonework to the second level- creating an elegant focal point. The kitchen features 9-foot ceilings, rich wood cabinetry, granite countertops, and new stainless steel appliances. A dedicated home office and main floor laundry and access to your attached oversized garage add convenience and flexibility for today's busy lifestyle. Two additional well-sized bedrooms and a full 4-piece bathroom complete the upper level. The lower level provides a large recreation area—perfect as a flex space, media room, or second family area—along with a 2-piece bath and plenty of storage. Enjoy the sunny south west-facing backyard, with a gas line for your BBQ and peaceful views of the adjacent field. Situated on a desirable corner lot, this home offers both privacy and proximity to parks, pathways, and a wide range of nearby amenities at Creekside Shopping Centre.
