Bright, Bold & Backing Onto the Badlands Tucked onto a family friendly Street with nothing but rolling hills behind you—welcome home. This inviting two-storey home blends family function with scenic beauty. With a front-attached garage and a bright, open layout, this home features three spacious bedrooms upstairs, including a serene primary suite with a four-piece ensuite and a luxurious soaker tub. A bonus room adds extra space for movie nights, playtime, or a peaceful retreat. Main floor living is stylish and practical, with hardwood floors, and a convenient two-piece bath, large windows to enjoy the wildlife envy of the Hills. The partially developed basement comes with a bathroom rough-in—ready for your finishing touch an extra bedroom and a rec room space. And the best part? Step out back to a yard that opens right onto the breathtaking Badlands—no neighbours behind, just nature. Let the kids explore the hills while you soak in the view. This one’s not just a house—it’s your home on the edge of adventure.
