Ideally situated at the end of a quiet close, this home features a thoughtfully designed floor plan that caters to the needs of the entire family. Upon entry, you are greeted by a spacious foyer with direct access from the attached garage, leading into a bright and open main living area. The main floor offers a comfortable living room, a functional U-shaped kitchen, pantry and a corner sink overlooking the backyard. The primary bedroom features a walk-in closet and a 3-piece ensuite, while a second bedroom and a 4-piece main bath complete the upper level. The fully developed basement provides an abundance of natural light with its large windows and offers two generously sized bedrooms, a spacious rec room with a cozy gas fireplace—perfect for family gatherings or quiet evenings at home. Additional features include a heated attached garage with built-in storage and a workbench, a private deck off the kitchen, and a beautifully landscaped, oversized lot with a shed, lower patio seating area, and fire pit. Recent updates include new shingles installed in September 2023, water softener and r/o system.
