A large front porch offers a great spot to enjoy your morning coffee or spend the afternoon relaxing. This home has a great vibe the moment you walk in, blending comfort and style with a layout that works well for both everyday living and entertaining. The main floor offers bright, open living areas where the kitchen flows seamlessly into the dining and living spaces and includes a fully finished salon space that has been approved by both the City and AHS. The fully finished basement adds even more functional living space with an extra bedroom and bathroom that make it ideal for older kids, guests, or extended family. Outside, the backyard is thoughtfully designed with low maintenance landscaping, a dedicated play zone for kids, and a stone patio that is perfect for relaxing or entertaining. An elevated deck off the main floor creates another gathering spot with room for a grill and full patio set. The double garage is insulated and heated, keeping things comfortable all year round. Reunion offers access to excellent schools including Herons Crossing School which serves Kindergarten through Grade 9 and is just a five minute walk from the home, along with W H

Croxford High School and nearby Catholic and private school options. With convenient access to parks, green spaces, and amenities, this is a move in ready family home with flexibility, charm, and room to grow.
