The open floorplan flows into a dining area with built-in cabinetry to display the family’s heirlooms. Over the years, the home has received thoughtful updates, like vinyl plank flooring throughout the main level, fresh paint, and stainless steel appliances, keeping it in excellent move-in-ready condition while still leaving room for your personal touch. Downstairs, the fully developed basement offers even more living space with two additional bedrooms and a 3-pc bathroom—ideal for guests, teens, a home office, or hobby rooms—plus a large rec area with a wood-burning fireplace that can easily become the ultimate game or playroom. Another highlight of the property is the huge oversized double garage with expansive driveway, giving you all the space you need for vehicles, a workshop, or extra storage.
