Welcome to 283-91B Three Sisters Drive, a rare opportunity to own a 2 bed, 2 bath visitor accommodation unit in one of Canmore's most peaceful and picturesque settings. Located at the top of Three Sisters Drive, this property offers a serene escape surrounded by forest, mountain views, and walking trails—worlds away from the high-traffic, high-density zones where most short-term rentals are located. This fully furnished condo features an open-concept layout with a cozy window-framed gas fireplace, spacious kitchen and dining area, and a luxurious jetted soaker tub in the primary suite—perfect for unwinding after a day of adventure. Enjoy your morning coffee or evening glass of wine from your quiet patio, breathing in fresh alpine air. On-site amenities include indoor and outdoor hot tubs, a fitness area, and heated underground parking—ideal for year-round use. Under the Visitor Accommodation land use, full-time living is not permitted, but owners have the flexibility to either keep the unit for personal recreational use or generate income through the professionally managed rental pool. A restrictive covenant is in place requiring that any rentals be managed by the on-site management company, providing a turnkey solution for those looking for a hands-free income property. Whether you're seeking a private mountain retreat for friends and family or an easy-to-manage vacation rental, this condo delivers both lifestyle and value in a truly one-of-a-kind location. Enjoy immediate access to hiking and biking trails, with quick driving connections to the Trans-Canada Highway, downtown Canmore, Quarry Lake, and Banff National Park.
