Situated inside of a quiet close in sought after Sunnybrook, this 1223 square foot home on a huge 64x110' lot is the renovation project you've been waiting for. Just steps from trails, G.W Smith school, playgrounds, and with a huge green space in the middle of the close, this is an ideal location for families. This home offers a unique layout that is a perfect candidate to be opened up to create a bright and beautiful main living space, and with ample square footage there's plenty of options to renovate this property into your dream home. The basement offers a unique two level layout with the bedrooms raised up which provides larger windows and more light, and there's space for a large family/rec room. The massive yard is ideal for RV parking and there's plenty of space to build a huge garage. Immediate possession is available!
