The open-concept main floor feels fresh and inviting, with warm engineered hardwood underfoot and a statement fireplace that anchors the living room in modern design. The kitchen? Total goals. Stainless steel appliances (including a gas range for that perfect sear), quartz counters, upgraded tile backsplash, & endless soft-close storage set the stage for everything from morning lattes to Friday night dinner parties. The primary suite is a true escape—complete with a custom walk-in closet and a luxe ensuite featuring heated tile floors, spacious fully tiled walk-in shower w/ rainfall shower head and dual sinks. Two more bright bedrooms, an additional 4 pc bathroom plus a stylish laundry room with quartz folding counter keep life organized and easy.
