Every once in a while a timeless classic home comes up for sale in this sought after south side neighbourhood where pride of ownership shows 10/10. Situated on a 63 foot wide lot on Normandy Road, just 3 houses in from Dieppe Blvd S., this home is another good specimen of well maintained bungalows in this neighbourhood. Many updates were completed to the home by the current owners in 2013 including, New exterior wrap and hardiboard siding. Windows, doors, soffit & fascia. A new sunroom was insulated and added that is perfect to enjoy for 3 seasons. All main floor electrical, plumbing, Roxul insulation, vapour barrier, & drywall. New kitchen then with alder cabinets, granite counters, tile floors, commercial range hood. They also redid the bathrooms with alder vanities and granite counters, along with low flush toilets, and a jetted tub in the primary ensuite. Finally, in 2013, new interior doors and high end laminate flooring was added. In 2014 and 2015, they renovated the basement adding new framing, insulation, vapour barrier, electrical, and a suspended ceiling. New back flow valves were put in for prevention for any sewer backup, along with new plumbing. They also added a new 3 piece ensuite in the bedroom downstairs with fibreglass shower. The family room got a new gas fireplace and ventilation from the stove pipe company. In 2023, new basement carpet was added. Owner notes that all work has been fully permitted and inspected. This is such a well maintained home with a beautiful yard in one of Lethbridge's most desirable location. General Stewart Elementary School is also in this neighbourhood and is great for the kids. Other amenities close by include Henderson Lake Park, Henderson Pool, Spitz Stadium, Tennis Courts, and Henderson Ice Centre.
