This charming home is located in the welcoming town of Magrath and offers 4 bedrooms and 2.5 bathrooms, along with numerous thoughtful upgrades. An addition was completed in 1996, expanding the living space. The original home received a new metal roof in 2024, while the roof over the addition was redone in 2018. In 2023, the furnace and ductwork were installed, though the original electric heaters remain in place and can still be connected if desired. The kitchen was beautifully updated in 2014, and the home has seen many other improvements for its next owner to enjoy. Outside, you'll find a fully fenced yard with mature trees, a spacious deck, a storage shed, and charming flower boxes—perfect for relaxing or entertaining.
