The floorplan offers both a formal living and dining room for entertaining, plus a cozy family room with custom built ins and a charming wood burning fireplace; perfect for gathering on cooler evenings. A rough-in for a wet bar in the great room adds extra potential for hosting. The main level also features a versatile bedroom or home office, a convenient laundry/mudroom, and Levelor blinds for easy light and privacy control. Upstairs, the primary suite is a peaceful retreat with its own ensuite bathroom, while the second and third bedrooms (currently combined into one large space) can easily be separated again to suit your needs. A full 4-piece bath serves the upper level.
