This Redstone home is the glow up you have been waiting for. Parking is a battle in this community, but not here. You get a private garage plus a driveway, which means no more parking-lot wars. Inside, the open concept main floor is both stylish and practical. The kitchen has stainless steel appliances, a gas range, and plenty of counter space for all your favourite gadgets. The living and dining areas flow together for family dinners, movie nights, or entertaining friends who always promise they will leave after 8 hours. Upstairs, three bedrooms give you flexibility.
