This 5-bedroom, 2.5-bathroom bungalow offers recent renovations, a functional layout, and a private yard on a large lot. The main floor features 3 bedrooms, including a primary with 2-piece ensuite and garden doors to the deck, a 3-piece main bath, and an open-concept kitchen, dining, and living area with a kitchen island. A small washer is conveniently located in the kitchen. The separate basement entrance leads to a fully finished lower level with 2 bedrooms, a renovated 4-piece bathroom (2021), a wet bar, and a butler's pantry—ideal for entertaining or roommate use. Enjoy the outdoors in the fully fenced backyard (2021) with a deck, large back yard and a shed. The detached double garage has 220 wiring, plus there's RV parking with a 30-amp plug, a panel roughed in for a hot tub, and a gravel driveway along the side of the lot. Notable updates include: new furnace and hot water tank (2020), new eavestroughs (2019), upstairs shower (2020), and more.
