Looking for space and flexibility? This property sits on a large lot and includes a heated triple-car garage, perfect for vehicles, storage, or projects. The oversized garage and yard provide plenty of room for whatever you need — from hobbies to future possibilities. The home offers practical one-level living with 2 bedrooms, 1 bathroom, and main floor laundry for convenience. It's a straightforward, functional layout that pairs well with the standout lot and garage features. With easy access to major highways east and west, this location makes getting around simple and convenient. A rare opportunity to secure both space and utility in one package.
