I'm going to predict this one may not last long - change your plans and have your Realtor book a showing. The classic floorplan starts with a large living room with bay window and hardwood flooring. You will love the look of the remodelled kitchen with its butcher block counters, farmhouse sink and backsplash. Stainless Steel appliances and laminate flooring enhance the look and feel of this large, bright space. Two good sized bedrooms plus the main bedroom with an oversized closet and best of all - doors to your beautiful backyard. Laundry is on the main floor. Finished basement with recessed lighting allows for cozy winter nights. Lovely yard complete with deck and detached single garage plus extra parking. Notable features would be haskap, Saskatoon and raspberry bushes plus five columnar apple trees. Come and see for yourself if this super cute home might just be the one you are seeking.
