A full 4-piece bathroom completes the layout, with both bathrooms refreshed with new toilets. Freshly painted walls enhance the move-in ready feel, complemented by smart updates like a new garburator in the kitchen. Major improvements offer peace of mind, including a new roof on the house (2023) and shed (2020), new vinyl fencing, and a hot water tank (2024). Step outside to a fenced backyard with endless possibilities—garden, entertain, or simply relax in your private space. A large storage shed and cement pad provide options for RV parking, a patio set, or future projects, while the single attached garage and roomy crawlspace add convenient storage. Nestled on a quiet street yet close to shopping, parks, and walking trails, this Eastview Estates home is ideal for downsizers, retirees, or anyone looking for a relaxed, low-maintenance lifestyle.
