Two highlights of this versatile parcel are the superb view of the lake, and the proximity to access and boat launch facilities into the lake, a city block away at Palm's Bay, and the other a mile away at Sunbreaker Cove. The attractive 2 bedroom, and bath and a half bungalow features an open concept kitchen, living, family room area with patio doors opening to a tiered deck with a hot tub, and a superb view of the lake and surrounding hills. Recent renovations include new windows and doors, 'Hardie'-board fire and hail resistant siding, 'lifetime shingles', and all vinyl plank flooring. Other features include stainless steel appliances, glass-front pantry, quartz counter tops and built-in microwave. The plumbing is upgraded and the hot-water heating system serviced. The price include a CB Tower, satellite dish and wiring for internet. The Home is sheltered by two natural wild areas with dozens of saskatoon, choke-cherry, mountain ash, raspberry and rose bushes. Near the home is a fire-pit area, horse shoe pit, and fountain with a gold fish pond. Other highlights include a 50'x44' shop with cathedral ceiling, LED lighting, in-floor heating, work benches, shop hoist, compressor, room for 8 vehicles, and a 'man-cave', hidden from the highway by natural shelter-belt. A 57'x25' horse barn is also hidden from the highway, complete with tack room, turn-out yards and deep grass pastures. Both shop and barn have steel roofs. The north shore of Sylvan Lake is well known for it's Walleye & Whitefish fishing, not much more than a stone throw away from this special property that has many attractions. The seller's heated ice-fishing shack is included in the price, as well as the 60 inch Husqvarna riding mower. Sylvan Lake, Bentley, Eckville, Lacombe, a Blackfalds are all only minutes
