Where Immaculate Meets Elevated Living. This isn't just a house, it's a home you'll be proud to call yours. A WEST-FACING backyard sets the scene for beautiful sunsets on the COMPOSITE DECK, while inside, ORIGINAL OWNERS have kept everything pristine. The main floor blends work and play with an office, COZY GAS FIREPLACE, and kitchen dressed in MAPLE CABINETS, SILGRANITE SINK, and HOOD FAN. Throughout the home, WOOD BLINDS add warmth and timeless style, while the BUILT-IN SPEAKER SYSTEM keeps the rooms connected. Upstairs, the master retreat features a spacious EN-SUITE WITH SOAKER TUB, plus a BONUS ROOM and laundry right where you need it. The FULLY FINISHED BASEMENT adds a family area, bedroom, 4-piece bath, and barn-door storage that's almost too nice to hide behind. And the upgrades? Already done: IMPACT RESISTANT ROOF(2024), NEW SIDING, AC UNIT (2024), HOT WATER TANK (2023).
