If you've ever thought, "We just need more space," this custom Mason Martin acreage might be the answer. Set on 1.79 acres just two minutes outside Ponoka, this 9-bedroom (or 8 plus office) modified bi-level delivers 3,184 sq ft of living space — designed with family life, gatherings, and flexibility in mind. Step inside and you'll immediately notice the craftsmanship. Vaulted ceilings and thoughtful design details create a sense of openness, while wide stairs and smart layout make every level feel connected. The heart of the home is its bright, open-concept main floor, anchored by a stylish kitchen with center island, perfect for cooking and conversation. Two gas fireplaces bring warmth and character — one for cozy evenings upstairs and another for the downstairs family retreat. This home boasts not just one but three family rooms, offering endless possibilities: a formal living space, a relaxed movie room, and a play or hobby area. Whether you're hosting holidays or simply need room for everyone to unwind, each space is designed to feel inviting and versatile. The primary suite features a 4-piece ensuite, while two additional full baths and a half-bath ensure convenience for even the busiest households. The 3-season glass-covered deck extends your living space outdoors, perfect for morning coffee, family suppers, or watching prairie sunsets. The acreage itself adds to the lifestyle: a triple car garage, two sheds, plenty of parking, garden space, and established apple trees. It's a property where you can live, grow, and gather. Recent updates — including fresh paint and updated LED lighting — add a modern touch to this timeless build. Close to schools, parks, and town conveniences, yet tucked away in a quiet setting, this acreage blends comfort, craftsmanship, and country living. For large families,

multi-generational households, or anyone who simply wants more room to breathe, this home is the definition of space and style.
