If you're not afraid of a project, this one's for you. This rough-around-the-edges property offers solid square footage and a chance to start fresh. The home is in need of major work inside and out, but it presents strong potential for the right buyer looking to invest sweat equity or plan for redevelopment. Located in a well-situated area of Lloydminster, the zoning is particularly attractive for future commercial development, making this an appealing option for builders, investors, or anyone with a vision for the site's next chapter. Please note: This property must be sold together with MLS® A2254749 and A2257451. Together, these parcels create an exceptional opportunity for redevelopment or land assembly in a central Lloydminster location.
