This charming 4 bedroom, 2 bathroom home is set on a beautifully landscaped yard with mature trees, including fruit trees. A lovely arch covered in greenery welcomes you to the front door. Inside, the main level features 3 bedrooms and 1 bathroom, while the lower level offers an additional bedroom and bathroom. The basement provides plenty of storage with 3 separate rooms, one currently used as a workshop but easily converted into a spacious family room with its two windows and generous layout. Laundry is upstairs in a bedroom but there is plenty of space in the basement for laundry if needed. Recent updates include a new roof last year, a new bay window and exterior doors. The backyard is complete with a large deck, perfect for entertaining or relaxing outdoors.
