Welcome to this 5 bedroom home in beautiful College Park! Excellent for the growing family, this bi-level offers a smart layout with 3 bedrooms and 2 bathrooms on the main floor, plus an open concept kitchen, dining and living room—perfect for family time and entertaining. The kitchen provides plenty of counter space and a walk-in pantry, making meal prep a breeze. Downstairs, you’ll appreciate the large windows that fill the basement with natural light, along with a huge family room where the kids can play or you can enjoy cozy movie nights. The basement also includes 2 more spacious bedrooms and a full 4-piece bathroom. The heated double attached garage comes complete with a floor sump and hot/cold taps—great for busy families year-round. Step outside to the fenced backyard where summer evenings are best spent on the 2-tiered deck, and there’s even RV parking for all your extra toys. This home checks all the boxes for family living—spacious, functional, and in a desirable neighborhood close to schools, parks, and amenities.
