Welcome to this 1,196 sq ft character home located in the friendly and tight-knit community of New Norway, AB. Situated on a 50x120 lot just a few blocks from the local K-12 school, this 1930-built home with a spacious addition completed in 1986, offers small-town living where neighbors know your name and look out for one another. The main floor features three comfortable bedrooms, a full 4-piece bathroom, and a large, bright living room with patio doors that open onto a welcoming front deck, perfect for morning coffee and watching the kids or neighbors stroll by on their way to school. The eat-in kitchen is roomy and functional, complete with a cozy wood stove that adds warmth and charm during the winter months. Downstairs, you'll find an additional bedroom, a utility room, laundry area, and ample storage space. The backyard includes a handy shed & workshop, ideal for hobbies, tools, or extra storage. While this home could benefit from some updates, it has great bones and potential. With a little vision and effort, it could be the perfect option for a growing family or anyone looking to enjoy the peaceful pace of village life. Don't miss this opportunity to make this house your home in a community where you're not just buying real estate, you're joining a neighborhood.
