This property features a beautifully manicured yard with a fire pit area and perennial gardens, plus ample parking thanks to back alley access and a 14' x 24' detached garage. Inside, you'll find a well-kept main floor with taller living room ceilings, a kitchen featuring an island with extra cabinetry and a suite of sleek, all-black stainless steel appliances (new in 2020), and a convenient patio door access. The home offers three main floor bedrooms, including a primary with a half-bath ensuite, while the fully developed basement provides a cozy family area with a wood-burning stove, a four-piece bathroom, and a flexible bonus room. Enjoy peace of mind with major upgrades already completed, including new triple-pane main floor windows (2022), freshly painted HardiePlank siding (2019), and 35-year shingles (2013), all maintained with exceptional care.
