Move in ready office building in a great location in Grimshaw. With 3 enclosed offices and room for more open work stations, this building has many possibilities. There is additional storage and a lunch room area as well. Ready to go with plenty of parking and air conditioned to keep it cool in the summer. Why lease a space when you could own. Being located on the edge of a residential street, the option to have the property rezoned to residential is another option to consider. Call for your appointment to view.
