This bright and inviting corner unit offers unbeatable value with underground titled parking, a private storage locker, and all utilities included in the condo fees. Set in a quiet, well-managed complex, it's perfectly positioned within walking distance to shopping, schools, playgrounds, and public transit. Inside, you'll find a freshly repainted, open-concept layout where the spacious living room flows easily into the dining area and functional kitchen. The large primary bedroom features two closets, while the in-suite laundry and four-piece bath add everyday convenience. Enjoy your morning coffee or a peaceful evening on the private balcony overlooking the courtyard — a year-round retreat that adds even more living space. With quick access to 16th Avenue, Deerfoot, and Stoney Trail, this home truly blends comfort, convenience, and exceptional value in one move-in-ready package.
