This is a spacious, fully finished townhome full of potential for the right buyer. A fantastic opportunity for renovators, investors, or first-time buyers ready to put in some work and build equity. Step into the bright front living room with a stone, wood-burning fireplace, leading into a generous kitchen space. Enjoy the large separate dining area with sliding patio doors that open onto a private, west-facing fenced yard — a great space for relaxing or entertaining. Upstairs you’ll find an oversized primary suite and two other good sized bedrooms and a full bathroom. The finished basement includes two additional rooms, ready for your finishing touches — ideal for a home office, gym, or extra living space. The exterior of the complex has been updated with newer windows and siding, giving it a fresh, modern look and added curb appeal. The lovely front yard offers a warm welcome, and best of all — no snow shovelling or lawn mowing required! The complex takes care of exterior maintenance, making ownership easy and convenient. This is a fixer-upper — it needs new flooring, paint, cabinets, and cosmetic updates throughout — but offers a solid layout and endless potential for those with vision. One assigned parking stall is conveniently located just outside your back gate. All of this in a central location close to schools, shopping, restaurants, and the Marlborough C-Train Station, with quick access to downtown and major routes. If you’re looking for a project with upside, this is it. Bring your creativity and make it your own!
