Do not hesitate on coming and viewing this one – a condo in this price range with a single attached garage will not last long. Located on a quiet residential street, this crescent location is just where you want to be – with 1257 square foot of above grade square footage, this townhouse condo has all the space you will need and is larger than many other condos that you see for sale in the marketplace. The features of this condo are impressive: central air conditioning, newer basement finish with large family room, 3-piece bathroom and large storage area, Quartz counter tops in a u-shape kitchen, newer bathroom toilets on the main and second level, hardwood and tile flooring through the main floor, direct entrance from master bedroom to second floor bathroom, large master bedroom with walk-in closet, laundry located on the second level close to the bedrooms, plus more!!!
