Bright and Open. This family has been updating this home. In the summer of 2025, the roof was redone professionally, and a new living room glass was installed in January. The kitchen cabinets were repainted, floors replaced, and some appliances are also recent. The living room includes a cozy electric fireplace with a mantel. Calm and relaxing colours. The primary bedroom features a walk-in closet and an en-suite bathroom with a large soaker tub adjacent to the separate water closet. Total of 3 bedrooms and 2 full baths. A fully fenced yard, located at the back of the cul-de-sac, is chain-link and is pie-shaped for a large backyard.
