Located in one of Mustang Acres's most desirable locations, backing directly onto a park and playground, this 1,218 sq. ft., 3 bedroom, 2 bathroom mobile home offers a functional layout, has seen several updates over the years, and provides excellent potential for the next owner. Notable additions include a spacious primary bedroom with a full 4-piece ensuite and a bonus family/living room at the rear of the home. The layout features two entrances (side and back), a main bathroom with a large shower enclosure, and practical living space throughout. The home has been peaked and sided to meet current park requirements, with a durable tin roof, and updated windows. Outdoor features include a screened-in deck with skylight, fully enclosed underneath, a paved driveway, a fully fenced yard, and convenient rear storage, offering additional space for seasonal items and outdoor equipment. Cat owners will appreciate the secure pet door to the deck, ideal for a litter box area with no escape risk. Lot fees include water, sewer, and garbage, making this a convenient and affordable option in a prime location.
