Excellent opportunity to own a well-established convenience store in a prime NW Calgary location on busy 14 St NW, surrounded by constant vehicle and pedestrian traffic throughout the day. With outstanding visibility and easy access, this shop benefits from a steady flow of neighborhood customers along with strong passing traffic that keeps sales consistent year-round. This business stands out because of its multiple income streams beyond regular retail sales. It currently offers U-Haul rentals, lottery services, and a Bitcoin ATM, all of which bring in reliable daily foot traffic and repeat customers. There are also future plans to introduce a photo booth for passport and visa photos, creating an additional service that will further increase revenue and customer visits. Operating with low monthly rent and a simple, efficient setup, this is a true turnkey opportunity for an owner-operator or investor. The combination of high exposure, diversified income sources, and low overhead makes this a smart and stable business to take over with strong potential for continued growth.
